

OUR GOAL

At Bishop Fenwick Preschool, we offer excellence in Early Education. We provide young children with the opportunity to create, explore, and discover.

We want all children to be independent, lifelong learners. Through a safe, secure, and nurturing Catholic environment, we foster each child's social, emotional, physical, and intellectual development. We address the needs of each individual child to build the foundation for a successful academic career and ensure Kindergarten readiness.

We have a limited number of spaces available, and classes are filled on a first-come, first-serve basis. You may obtain registration information and schedule a tour of our facility by calling the Preschool at 740.450.7478.

ABOUT OUR PROGRAM

Bishop Fenwick Preschool is licensed by the Ohio Department of Education, Office of Early Learning and School Readiness. Our curriculum is rich in technology and fosters mastery of Ohio's Early Learning Content Standards. The children participate in activities in the areas of language arts, math, science, fine and gross motor, and social development. Children are offered hands-on experiences that encourage discovery, confidence, and independence.

Lunch is offered daily. Children have the option of purchasing a nutritious hot lunch prepared by our cafeteria staff.

Children also participate in specials such as music, gym, and Spanish.
